# EXPLORE ART ON THE COWAL PENINSULA

20TH - 23RD SEPTEMBER 2024

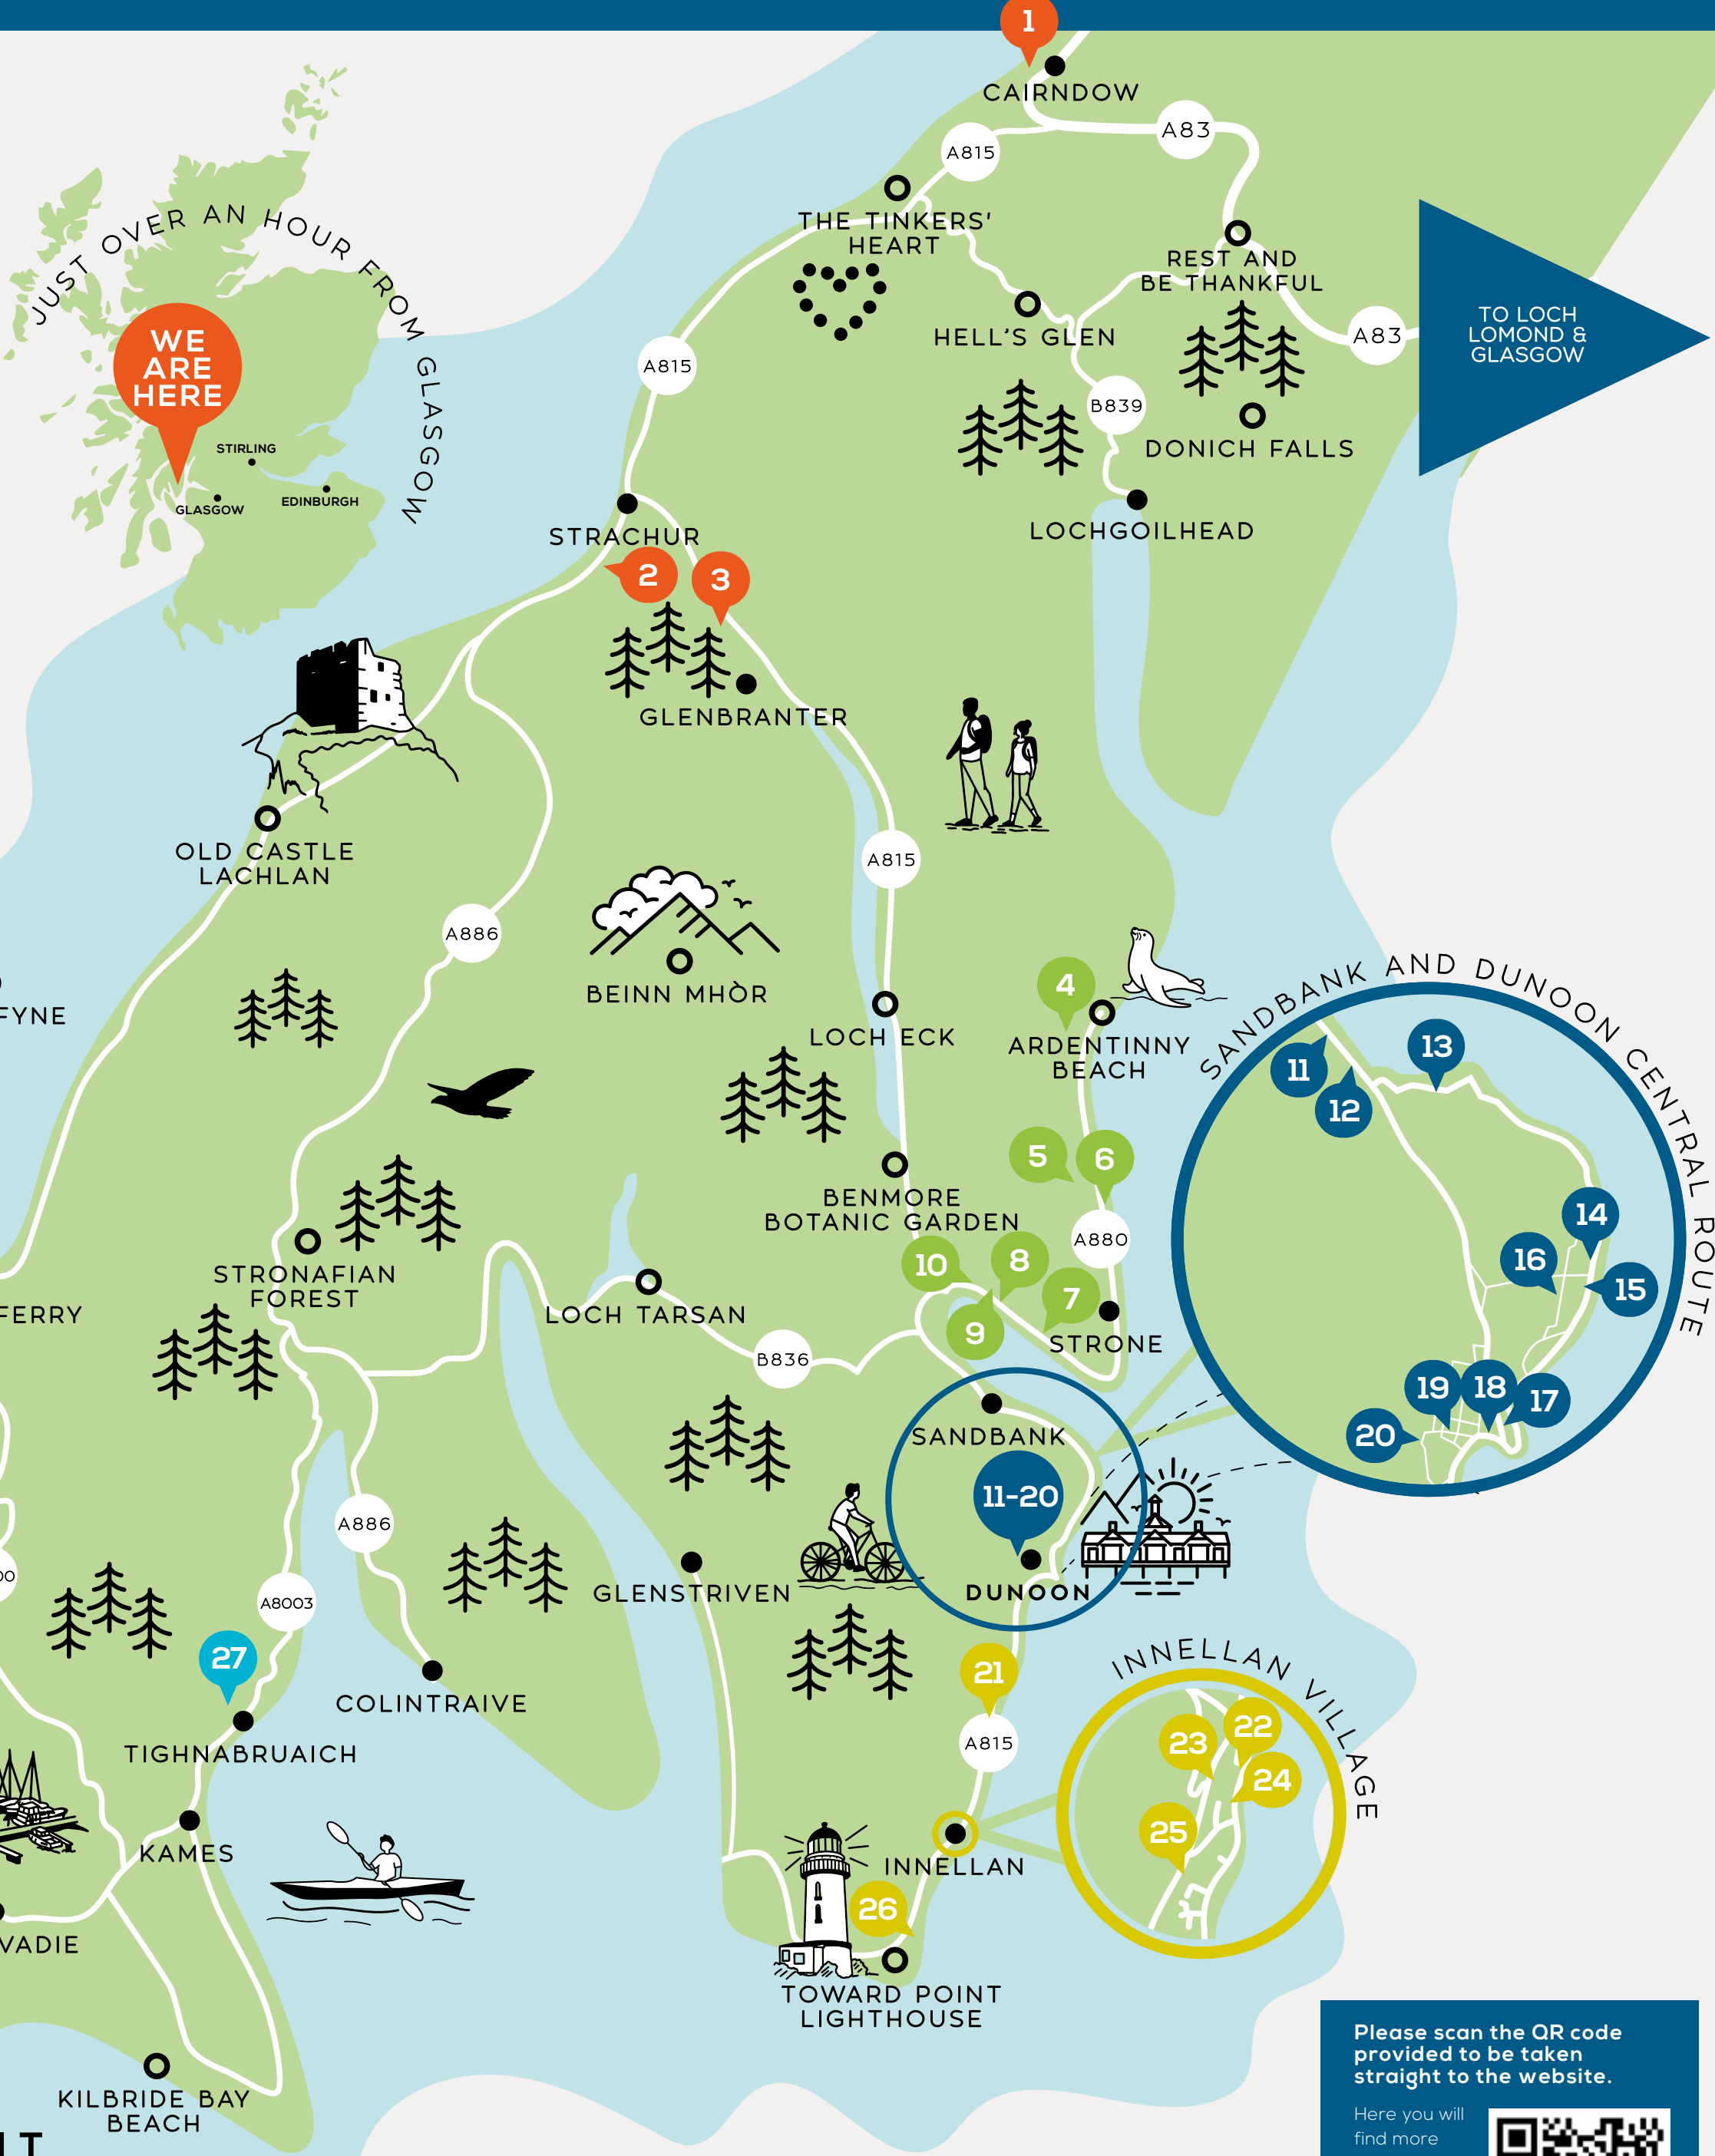

The artists of Cowal are looking forward to welcoming you to their studios from 20th - 23rd September. You will find a wide range of artists and a wealth of artwork across the area with the opportunity to find out more about the creative processes involved. Please 'save the dates' to see artists in their work environments and learn more about creativity in Cowal.

## HOW TO PLAN YOUR VISIT

We have divided our artists into four different routes to help you plan your visits. Please be aware that Sat nav may not work in all areas, so some basic directions to venues are included here. Several venues have more than one artist. The number by each artist's name

refers to the number of the venue on the map. Just look out for artists' signs and the blue and green bunting! The Cowal peninsula is one of the most beautiful parts of the UK, so why not venture out to see artists across the area and enjoy our stunning landscape.
